Frost Summer Experience Solo, Chamber Ensemble, & Orchestral Summer Intensive

Welcome to our Frost Summer Experience application page! We are working very hard putting together our summer offerings for 2025! Your first step is to please review the provided information on the program offering that interests you. Please be aware that part of the application process involves the creating of your Accepted profile. Once you have that created, you will then "Search" for the Frost Summer Experience in the application search. Once you find the application in your search field of your profile, you will then be directed to the page once more for you to designate the program application that you wish to fill out.
